October 14 - 23, 2024

Art, Vineyards, History, Food, Fashion & more....

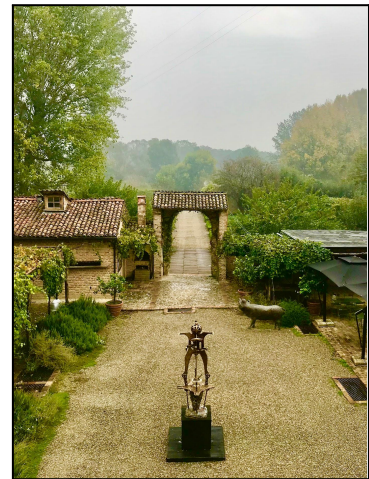

The 10-day exclusive MoMo tour will offer unique opportunities to enjoy curated food and wine experiences in two of the most renowned areas of Italy: Tuscany and Piedmont. Unique art, history, and cultural activities will be sprinkled in amongst the food and wine!

The tour begins in Tuscany, we will be based in a 4-star boutique hotel, located in one of Florence's most beautiful streets in the historic center. During our time in Florence, you will enjoy unique, private experiences, specifically designed for the MoMo tour, so you can discover the

hidden secrets of Florence. We will spend time in the Chianti and Bolgheri regions to discover the wine-making of some of the most renowned wineries. We will also explore the olive oil production of a small, family-owned estate - and put it all together in a private cooking class at the family villa. There will also be plenty of free time for you to shop, relax, explore on your own.

Next, we will make our way to the Piedmont region. On the way, we will stop at a unique estate near Parma, which produces culatello, one of the most prestigious salami of Italian tradition. Here, we will enjoy a visit to the production followed by lunch at their Michelin-starred restaurant. We will spend three nights at a luxury spa hotel in the heart of Piedmont's award-winning wine area, Barolo, a UNESCO world heritage site. In addition to being surrounded by vineyards, the resort offers a complete spa and other unique amenities. While here, we will make our way through wineries, castles, and, if you want, you can have a go at truffle hunting!

After the wine area, we make our way to Milan, where we will spend our last two nights in one of Milan's most iconic, historic hotels, located in the heart of the Brera district (AKA fashion district). We will have time to visit Milan's highlights, such as: the Last Supper, the Duomo, the fashion district. You will also have free time to finish up any shopping needs!
